International Educational Conference Planning Guide

Step 1: Craft a Vision of Your Conference. Every event begins with a vision, but you'll need to transform your vision into words and numbers in order to measure costs and make informed planning decisions. First, you need to start with the event planning basics like who, what, when, where and why.

Step-by-step Conference Planning Guide

Planning for an international conference should begin at least 18 months before the event. The first critical step is to make some key decisions. If this is not the first event, previous years' attendance figures can be used to estimate number of attendees, vendors, speakers, and size of venue. If it is the first event of its kind, use a similar event as a guide and adjust the estimate based on early responses.
